

# IRISH AID FELLOWSHIP TRAINING PROGRAMME APPLICATION FORM

 [www.irishaid.ie](http://www.irishaid.ie)

**2018 ENTRY**

## IRISH AID

The Government of Ireland's official programme of assistance to developing countries is managed by Irish Aid, a division within the Department of Foreign Affairs and Trade. The aid programme focuses on the fight against poverty and hunger in some of the world's least developed countries, particularly in sub-Saharan Africa. The programme works in partnership with governments and communities in the developing world in their attempts to alleviate poverty through helping them meet basic needs and through strengthening their capacity to help themselves. It provides assistance to over 80 countries worldwide, including eight partner countries, where there is a commitment to long term strategic assistance.

## IRISH AID FELLOWSHIP TRAINING PROGRAMME (IAFTP)

The IAFTP is part of Irish Aid's broad programme of support to capacity building in developing countries. The programme aims to address capacity deficits that hinder the attainment of long-term development goals in Irish Aid partner countries through the training and development of key individuals, generally drawn from the public service and NGO sectors.

Irish Aid invites applications from organisations working in priority areas for the Irish Aid programme in-country as well as from individuals in organisations of strategic relevance to the work of the mission in that country.

Fellowships should generally be targeted at mid-career professionals. They are being awarded to enable applicants to further their education in areas relevant to the priorities of Irish Aid in partner countries. Applications are accepted for study at master's degree level, in Ireland or in region. Study at postgraduate diploma level may also be considered on an exceptional basis.

## IRISH COUNCIL FOR INTERNATIONAL STUDENTS

The Irish Council for International Students (ICOS) – [www.icosirl.ie](http://www.icosirl.ie) – provides support for the management and administration of the IAFTP, including handling applications on behalf of Irish Aid and providing various support services for fellowship holders. ICOS is an independent non-profit organisation that promotes best practice in relation to the recruitment, access and support of international students in Irish education.

## ELIGIBILITY REQUIREMENTS

To be eligible for the IAFTP, applicants must:

- be a citizen of one of Irish Aid's partner countries (i.e. Ethiopia, Malawi, Mozambique, Sierra Leone, Tanzania, Uganda, Vietnam and Zambia), or of Cambodia, Kenya, Liberia, Palestine, Myanmar, Rwanda or Zimbabwe.
- be resident in that country.
- have achieved the necessary academic standard to be accepted onto a Master's degree course in a higher education institution in Ireland or within their own region.
- be able to demonstrate a strong commitment to the development of their home country.

For study in Ireland, you must select courses from the Irish Aid Directory of Eligible Postgraduate Courses, available at [www.irishaidfellowships.ie](http://www.irishaidfellowships.ie). Before finalising your course choices and submitting your application, please confirm with the relevant Irish Embassy that they remain fully satisfied that the courses you have chosen accord with the Embassy's country priorities. Embassy contact details are available at [www.irishaidfellowships.ie](http://www.irishaidfellowships.ie). Applicants from Tanzania will only be considered for study in Ireland and must request the list of courses for which they are eligible by emailing [TanzaniaFellowships@dfa.ie](mailto:TanzaniaFellowships@dfa.ie).
- be applying to commence a new qualification and not be seeking funding for a course they have already commenced or which will begin before fellowship awards have been notified.

**Please retain these introductory pages for reference when submitting your application**

An applicant will not be considered further in either of the following circumstances:

- They already hold a master's qualification
- They have applied for the IAFTP on two or more previous occasions without being awarded a fellowship. (Cases where an applicant withdrew from the process previously may be considered if there were exceptional or unforeseen circumstances for withdrawal in that instance).

## SELECTION PROCESS

### Selection Round 1 / English Testing

The embassy will conduct an *initial* shortlisting of applicants. **Unless the applicant already holds a valid IELTS test result**, applicants who meet the necessary criteria will be required to sit **an IELTS academic English test, if applicable to their proposed study location**. Tests are to be taken in January or February 2018. Arrangements, including payment of the test fee, will be organised by the Embassy of Ireland. (Applicants who already hold a suitable IELTS certificate should submit this with their form).

**TIP:** If you are required to take an IELTS test, you are advised to work through the practice materials at [www.ielts.org](http://www.ielts.org) and attend a preparation session, if available. You should note that even people who regularly speak English can find the test a challenge. In a recent application year, approximately two-thirds of applicants tested did not get the necessary score to be considered further.

### Selection Round 2 / Course Applications

The Fellowship Selection Committee will meet in Ireland in April 2018 to conduct a second shortlisting round of those applications put forward by embassies. Those individuals who will be progressing as candidates will be contacted by ICOS with information on applying for their chosen college course(s). Application fees for colleges in Ireland will be paid by ICOS *provided applications are made after notification from ICOS*. Application fees paid prior to notification by ICOS will not be reimbursed. Applicants are advised not to apply for courses in Ireland until such time as they are notified by ICOS to proceed, when full application guidance will be provided. The applicant is responsible for ensuring that they submit their application to the college, including all relevant supporting documentation, and for keeping ICOS updated with the progress of their application. Applicants should note that decisions on Irish university course places may not be made by institutions until late June 2018.

### Fellowship Awards

A provisional list of awards will be drawn up in June 2018. Only candidates who successfully gain a course place and provide documentation to ICOS confirming this will be eligible for a fellowship award. **No candidate is guaranteed an award, even if all fellowship criteria are met.**

If offered an Irish Aid fellowship, candidates will be required to:

- undergo a medical examination prior to confirmation of the fellowship award;
- satisfy Irish immigration requirements (if studying in Ireland);
