## **CSLA Host University Partnerships**

We work with a wide range of universities offering quality instruction in the social sciences and humanities and sharing our commitment to open society values. These universities have agreed to provide significant tuition discounts for CSLA candidates, and they actively participate in our selection process. Our university partnerships enable us to cluster grantees at institutions, and we therefore prioritize our established partners when we match CSLA finalists to MA programs in their field of study. Although the list changes yearly, partners in 2018 included universities in Europe, the US, and some parts of Asia.

Scholarship Programs staff will arrange placements for CSLA finalists in cooperation with host university colleagues. Finalists are matched with universities according to their chosen area of specialization, overall academic profile (including language test scores), and professional aspirations. Final decisions concerning host university placement are made by the CSLA program staff, with input from the international selection committee and host university staff and faculty. Candidates must meet university standards for graduate studies admission. Please be aware that these standards vary from university to university.

In some cases, CSLA finalists will need to apply to a CSLA host university directly. Finalists will be notified by CSLA staff, staff from the relevant university, or staff from a CSLA partner organization (e.g. DAAD), and asked to submit the additional application forms. Should the university require an application fee, CSLA staff will strive to waive this fee or to reimburse you directly. CSLA staff will work with you on this process. Please note: if you apply directly to a university without prior instruction from CSLA staff, we will not reimburse the application costs.

Additionally, admission to a university does not guarantee placement at that university. CSLA staff will guide finalists through the placement process, but it is important to note that placement decisions sit with CSLA staff and are final.

In the tables below, the listed accepted exam and scores are accurate to the best knowledge of CSLA staff and for the purposes of admission to universities through CSLA only. Due to the partnerships CSLA has with host universities, in limited cases certain programs are able to accept scores lower than the university's standard admission requirements. Meeting the minimum language score of a university does not guarantee admission to a university.

CSLA may partner with additional universities during the course of a selection cycle. We will provide updated information to applicants as necessary.

## **CSLA Host Universities**

### **Canada**

- University of Ottawa/Université d'Ottawa

### **France**

- Catholic University of Lyon - Lyon
- EHESP School of Public Health - Paris

- Institut d'Etudes Politiques de Paris (Sciences Po) - Paris
- Paris 8 - Paris
- University of Strasbourg - Strasbourg

### **Germany**

Study programs in Germany are based on the partnership between DAAD and OSF. The partnership means that students would be awarded a scholarship from DAAD and OSF. The DAAD-OSF partnership is a dynamic relationship, and available fields, schools and programs may vary year to year according to the priorities of DAAD and profiles of CSLA candidates.

Placement under the CSLA award in Germany is only eligible for students from Afghanistan, Azerbaijan, Belarus, DR Congo, Republic of Congo, Equatorial Guinea, Eritrea, Ethiopia, South Sudan, Sudan, Tajikistan, Turkmenistan, and Uzbekistan.

For more information on the DAAD-OSF partnership, please see page 5

### **Hong Kong**

- University of Hong Kong - Hong Kong S.A.R

### **Hungary**

- Central European University - Budapest

### **Ireland**

- NUI Galway - Galway

### **Latvia**

- Riga Graduate School of Law - Riga

### **Netherlands**

- Maastricht University - Maastricht

### **Poland**

- Graduate School of Social Research - Warsaw

### **UK**

- Durham University - Durham
- London School of Hygiene and Tropical Medicine - London
- School of African and Oriental Studies - London
- University of Cambridge - Cambridge
- University of Essex - Colchester
- University of Leeds - Leeds
- University of Nottingham - Nottingham
- University of Oxford - Oxford
- University of St Andrews - St Andrews

**United States**

- American University - Washington, DC
- Brandeis University - Waltham, MA
- Columbia University - New York, NY
- Duke University - Durham, NC
- Georgetown University - Washington, DC
- Ohio University - Athens, OH
- Syracuse University - Syracuse, NY
- University of Wisconsin – Madison, WI
- Washington University in St. Louis - St. Louis, MO

**DAAD-OSF Partnership**

CSLA placements for study in Germany are based on the partnership between DAAD and OSF. Placement is done in collaboration between DAAD and OSF. The following tables show some of the programs and universities where we have previously placed students. The DAAD-OSF partnership is a dynamic relationship, and available fields, schools and programs may vary year to year according to the priorities of DAAD and the profiles of CSLA candidates.

**Placement under the CSLA award in Germany is only possible for students from Afghanistan, Azerbaijan, Belarus, DR Congo, Republic of Congo, Equatorial Guinea, Eritrea, Ethiopia, South Sudan, Sudan, Tajikistan, Turkmenistan, and Uzbekistan.**

University & Location	Program Name, Degree (Length of Program)	Accepted Language Exams & Minimum Score Requirements
-----------------------	--	--

**CSLA Field: Development Studies**

<b>University of Kiel</b> Kiel, Germany	Sustainability, Society and the Environment, MA (24 months)	IELTS: 6.5 overall score (no section below 6.0) TOEFL iBT: 90 overall score (no section below 20)

## **Study programs available in French/ Les cours en Français**

Please see below all programs available primarily in French, organized by the CSLA Field of Study they fall under. CSLA partners with a number of universities that offer programs taught primarily in French. Some of these programs are bilingual between English and French and some programs have tracks available in both French and English.

Please note admission to a university does not guarantee placement at that university. CSLA staff will guide finalists through the placement process, but it is important to note that placement decisions sit with CSLA staff and are final.

If there are no programs in French listed for your chosen field of study, please note the field of study that is closest to your professional and academic interest. CSLA may partner with additional universities during the course of a selection cycle. We will provide updated information to applicants as necessary. Should you become a finalist, CSLA staff will work with you to find an appropriate host.

*Veillez trouver ci-dessous tous les programmes disponibles principalement en Français organisés par domaine d'études CSLA. Le programme CSLA est en partenariat avec un certain nombre d'universités qui offrent des programmes dont la langue d'enseignement principale est le Français. Certains de ces programmes sont bilingues Anglais et Français (dans ce cas il est nécessaire d'avoir une connaissance avancée des deux langues) et d'autres programmes sont disponibles dans chacune des deux langues et peuvent être suivis soit en Anglais soit en Français.*

*Veillez noter que l'admission à une université ne garantit pas une place dans cette même université. Les membres de l'équipe du programme CSLA guideront les finalistes pendant le processus de placement, mais il est important de noter que les décisions finales de placement seront prises par les membres de notre équipe CSLA et que ces décisions seront finales.*

*S'il n'y a pas de programme en Français indiqué dans la liste de votre domaine d'études, veuillez indiquer le domaine d'études le plus proche de votre projet professionnel et de ce qui vous intéresse d'un point de vue académique. Il est possible que CSLA développe des partenariats avec d'autres universités au cours d'un cycle de sélection. Nous ferons part de ces développements aux candidats le moment venu. Si vous accédez au statut de finaliste, les membres de l'équipe CSLA travaillerons en coopération avec vous pour trouver une université d'accueil adéquate.*

<b>University &amp; Location / Université et localisation</b>	<b>Program Name, Degree (Length of Program) / Nom du programme, diplôme (Durée du programme)</b>	<b>Accepted Language Exams &amp; Minimum Score / Requirements Examens de langue acceptés et exigences de score minimum</b>
