About the TaiwanICDF

The International Cooperation and Development Fund (TaiwanICDF) is dedicated to boosting socio-economic development, enhancing human resources and promoting economic relations in a range of developing partner countries. We also offer humanitarian assistance and provide aid in the event of natural disasters or international refugee crises.

To carry out our mission, we offer a range of assistance that centers on four core operations: lending and investment, technical cooperation, humanitarian assistance, and international education and training. Our Fund is used to make direct or indirect investments and to finance lending operations. Revenues generated by the Fund are used to support our bilateral or multilateral technical cooperation projects, humanitarian assistance operations and education and training.

Every new project from the TaiwanICDF proceeds according to a rigorous project cycle and is backed by mutual covenants signed in cooperation with relevant stakeholders. Our projects are designed to address the strategic development goals of each of our partner countries, pay due consideration to associated regional trends, and maximize results by employing the right combination of capital and technical cooperation.

Ultimately, our work is tailor-made to the local needs of each partner country. Our assistance covers a variety of contemporary development issues such as environmental protection, public health, agriculture, education, and information and communications technology.

We are also acting to improve human resources and build institutional capacity at the TaiwanICDF itself. We believe that as a stronger, more professional organization, we will be better placed to advise decision-making bodies within our government. Efforts to improve our own organization will also help us to deepen the coverage of our projects and transfer technological know-how to our partners. We aspire to making the most effective use of manpower and resources, and replicating and adapting successful experiences from one partner country to another.

Overview of the International Higher Education Scholarship Program

International education and training from the TaiwanICDF shares Taiwan's own development experiences with developing partner countries around the world. Our aim is to help these partner countries cultivate and nurture a talented pool of human resources.

To achieve this objective, our International Education and Training Department performs a range of interconnected operations. Our in-depth, professional workshops are dedicated to contemporary trends in development, while our higher education scholarship program draws on expertise at Taiwanese universities to strengthen know-how in critical disciplines. We also cooperate with a number of international organizations on training projects.

Our International Higher Education Scholarship Program was initiated in 1998 when we joined forces with a group of Taiwanese universities to offer scholarships for a number of English-language courses, up to and including Ph.D. level.

The program enables talented young citizens to come to Taiwan to pursue their higher education and follow course materials and learning objectives that are specifically designed to address key development issues. The program provides full financial support for tuition and living expenses, and having grown in scope over the years, now covers 35 courses from 21 universities — 11 bachelor's, 21 master's and 3 Ph.D. programs. These courses focus on the development needs of our partner countries by addressing issues such as tropical agriculture, aquatic sciences, business administration, information technology, human resource development, medicine and public health, or various fields of engineering. All of these disciplines are in high demand in our developing partner countries. We aim to boost social development and economic growth by generating a pool of quality human resources.

TaiwanICDF Scholarship Application Instructions

1. Eligibility

Applicants applying for a TaiwanICDF scholarship must meet both the general eligibility criteria (please refer to appendix 1) and be a national of a country on the List of Countries Eligible for TaiwanICDF Scholarship (please refer to appendix 2). Applicants must also meet the Regulations Governing Visiting, Resident, and Permanent Residency of Aliens set by ROC (Taiwan) National Immigration Agency.

***Please Note: All Undergraduate Programs only accept applications submitted by citizens of allied countries of ROC (Taiwan).

2. Application Procedure

The 2020 TaiwanICDF Scholarship application period will run from January 1 to March 15 (GMT +08:00). For the 2020 TaiwanICDF International Higher Education Scholarship Program, there are a total of 31 study programs available for scholarship application.

Applicants should: (1) complete the TaiwanICDF International Higher Education Scholarship Program Online Application, and (2) submit the documents listed below to the ROC (Taiwan) Embassy/Consulate General/Representative Office in their country. Applicants must ensure that they submit accurate and complete documentation; failure to do so will result in the application not being processed. Please also note: (1) Late submissions will not be accepted and/or processed; (2) All Undergraduate Programs only accept applications submitted by citizens of allied countries of ROC (Taiwan).

Documents to be submitted:

- (1) A photocopy of applicant's passport or other document showing proof of nationality.
- (2) A photocopy of applicant's highest-level diploma and academic transcripts.
- (3) A photocopy of applicant's English proficiency certificate.

Please note: This means a TOEFL test score or that of another recognized English proficiency exam, or documents certifying that the applicant has graduated from a program where all courses were taught in English. Applicants who are unable to provide such proof of English proficiency due to special circumstances may be assessed for English proficiency by an ROC (Taiwan) Embassy/Consulate (General)/Representative Office via interview or other forms of testing. Applicants whose official national language is English are exempt from needing to supply these documents.

- (4) Two letters of reference.
- (5) Any other documents specifically requested by an ROC (Taiwan) Embassy/ Consulate (General)/ Representative Office.

Please Note: In addition to the above documents requested as part of their scholarship application, applicants should also submit all documents required by the TaiwanICDF partner university that they are applying to before the admission deadline of that university. For detailed information on such documents, please refer to Section 4: Study Programs Available for TaiwanICDF Scholarship Application at Partner Universities in 2020 in this brochure and the related websites of each study program for further admission information.

The ROC (Taiwan) Embassy/Consulate General/Representative Office will conduct a first review of applicants based on the eligibility requirements and selection criteria of the TaiwanICDF, and then submit their list of recommended applicants to the TaiwanICDF no later than March 31 each year.

A second review of the qualified applicants will be conducted by an academic committee organized by the individual partner university in joint cooperation with TaiwanICDF representatives. Such reviews will be based on each university's selection criteria, whilst also accounting for the eligibility requirements and selection criteria of the TaiwanICDF.

After the second review has been conducted in cooperation with all partner universities, the TaiwanICDF will announce its list of scholarship recipients, in principle, no later than June 30 each year. Successful applicants will receive an acceptance letter through the ROC (Taiwan) Embassy/Consulate (General)/Representative Office to whom they originally applied.

Please note: Gaining admission from the university does not necessarily mean that the applicant has also been given a TaiwanICDF scholarship. Only the applicant who receives the acceptance letter issued by the TaiwanICDF is the scholarship recipient.

Ph.D. Program in Tropical Agriculture

❖ ABOUT THE PROGRAM

1. The curriculum is grouped into three major categories: Tropical Agricultural Resource Planning; Production and Management of Tropical Agricultural Resources; and Conservation and Utilization of Tropical Agriculture Resources. Agronomy, Horticulture, Plant Protection, Rural Planning, Veterinary Medicine, Animal Science, Forestry, Wood Industry, Aquaculture, Food Science, Agribusiness Management and Wildlife Conservation are the focus areas. Except for required courses, the selective courses will be tailor-made upon the request of major professor(s) on specific topics for the student.
2. Ph.D. students must complete the following requirements before the Ph.D. dissertation exam:

- (1) Minimum of 30 credits (including 18 credits in courses and 12 credits in Ph.D. dissertation).
- (2) Publications.
- (3) Minimum TOEFL ITP score 550 or equivalent English-proficiency verifications (except for foreign students from English speaking countries). If the students could not pass the English-proficiency test, an additional full research paper published in SCI (or the same) journals or three English papers published in peer reviewed journals as a substitute should be provided before the Ph.D. dissertation exam.
- (3) After completion of dissertation, the students will receive the “Doctor of Philosophy” degree from the Department of Tropical Agriculture and International Cooperation, International College.

❖ ENTRY REQUIREMENTS

1. Completion of a master’s degree in agriculture or related fields at public or registered private universities and independent colleges, or foreign universities and colleges approved by the Ministry of Education, Taiwan (ROC).
2. Applicants from countries where English is not the native language are required to take the TOEFL or equivalent English-proficiency verifications.

❖ HOW TO APPLY

Step 1. Download the Application Form:

<http://dtaic.npust.edu.tw/files/11-1028-8267.php?Lang=en>

Step 2. Applicants should submit application via e-mail: oisa.npust@gmail.com

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:

1. Completed Application Form
2. Research Plan
3. Letter of Declaration
4. Health Statement
5. 2 Recommendation Letters
6. *One photocopy of diploma
7. *One official transcript of Highest Degree
8. Evidence of English Proficiency (excluding applicant whose native language is English)
9. One photocopy with personal information page of the applicant’s passport
10. Other Supporting Documents Related to the Application

*** Applicants must be done with verification by the Taiwan (ROC) Embassy/Consulate General /Representative Office in the country of the issuing school before enrollment. If the original diploma is neither in English nor Chinese, a certified copy in English or Chinese is required.**

Undergraduate Program in Tropical Agriculture

❖ ABOUT THE PROGRAM

1. Courses in fields of tropical agriculture, including agronomy, horticulture, animal science, aquaculture, veterinary medicine, food science, agribusiness, and plant production are offered for this undergraduate program. Students must complete a total of 130 credits hours (including required credits and elective credits) to graduate with the “Bachelor of Science”. For elective credits, students can choose courses freely in all fields according to their personal interests and availability of courses, and acquire general and diversified knowledge in agriculture. However, if a major is desired, the department currently offers two majors, “Animal Production” and “Plant Production”.
2. Students must complete more than 70% elective credits in the same major, either “Animal Production” or “Plant Production”, so that the major can be specified on the graduate certificate. In plant production, the courses include but are not limited to: agronomic and horticultural crop production; plant protection; and agri-business management. In animal production, the courses include but are not limited to: anatomy and physiology of animals; utilization of animal products; fish breeding and propagation; and pond management.
3. English Ability Examination: Students must pass a minimum of TOEFL ITP score 500 or equivalent English-proficiency verifications before graduate (Except for foreign students from English speaking countries).
4. After completion of all required courses and English Ability Examination, the students will receive the “Bachelor of Science” degree from the Department of Tropical Agriculture and International Cooperation, International College with or without a major.

❖ ENTRY REQUIREMENTS

1. Completion of a Senior high school or vocational high school education, or the equivalent, from institutions approved by the Ministry of Education, Taiwan (ROC).
2. Applicants from countries where English is not the native language are required to take the TOEFL or equivalent English-proficiency verifications.

National Chengchi University (NCCU)

International Undergraduate Program in Business Administration (IUP in BA)

❖ ABOUT THE PROGRAM

The IUP in BA provides most courses in English that includes various professional courses and focuses on relevant management courses.

Students require to fulfill 128 credits for graduation (minimum requirement), which includes 54 credits for require courses, 42-46 credits for elective courses, 28-32 credits for general courses, 4 PE and 2 service learning courses.

After completing their studies, students will receive a “Bachelor of Business Administration” Degree from the Department of Business Administration at the College of Commerce.

❖ ENTRY REQUIREMENTS

International Students who meet the following requirements are eligible to apply:

1. Applicants of foreign nationality and have never held R.O.C nationality and also who do not possess overseas Chinese student status at the time of their applications and who comply with the regulations regarding "International Students undertaking Studies in Taiwan" of the Ministry of Education (MOE).
2. Applicants with a high school diploma or above are eligible to apply for undergraduate programs.

❖ HOW TO APPLY

Step 1. Online Application: January 3, 2020~5pm March 20, 2020 (Taiwan Time)
Website: <http://oicwebap.nccu.edu.tw/Fall/IntStdApply/Index.aspx>

Step 2. Print Online Application Documents.

Step 3. Prepare Materials Required for the Application (Application fee: TaiwanICDF scholarship applicants are free of charge).

Step 4. Submit the Application

(1) Submission by MAIL:

The postmark deadline is March 13, 2020.

Late applications will not be processed. Please mail your application by the postmark deadline to the following address:

Chelsey Lee, Department of Business Administration, College of Commerce, National Chengchi University.

No. 64, Sec. 2, Zhinan Rd., Taipei 116, Taiwan

(2) Submission in Person:

Before 5PM March 20, 2020.

Please submit to Department of Business Administration office (7th floor of College of Commerce building). Applications submitted in Person are accepted Monday through Friday (except holidays), 9am-12pm and 2pm-5pm.

The applications not submitted during the prescribed hours or the late applications will not be processed.

*** Applications materials must be submitted either in person or by mail. Applications submitted by email or fax will not be processed.**

*** We highly recommend you to submit application by using a trackable global delivery method. Shall you decide not to submit your application via a trackable carrier, please ensure to mail your application as early as possible in order to avoid complications.**

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:

1. NCCU Application CheckList, 2 completed NCCU Online Application Forms with your signature and a recent photo attached to each, Mailing Address Label, Declaration.

*** All above documents are generated by the NCCU online application system**

*** TaiwanICDF scholarship applicants MUST choose “degree” student in the “Status Applied.”**

2. Copy of a valid Passport

3. One Copy of Diploma and One Original Official Transcript verified by the ROC (Taiwan) Embassy / Consulate General / Representative Office

*** Current graduates are required to submit an official certificate of expected graduation (English or Chinese) issued by the school in lieu of the diploma at the time of application**

*** One notarized copy of the translation in English or Chinese is necessary if the original diploma or transcript are not in English or in Chinese**

4. Study Plan in Chinese or English

5. Evidence of English Proficiency (e.g. TOEFL, IELTS and TOEIC) for Applicants from non-English-speaking countries

6. Resume

7. Autobiography and other Supporting Materials

8. 2 letters of Recommendation

*** All application materials must be properly bound into 4 copies (including the original documents) and in consecutive order.**

National Chengchi University

No. 64, Sec. 2, Zhinan Rd., Taipei 116, Taiwan

National Chengchi University (NCCU)

International Master of Business Administration (IMBA)

❖ ABOUT THE PROGRAM

The International MBA (IMBA) program offered by National Chengchi University (NCCU) has triple accreditations by the Association to Advance Collegiate Schools of Business (AACSB), the European Quality Improvement System (EQUIS) and the Partnership in International Management (PIM), which symbolizes that the internationalization of NCCU has been on par with top business schools around the world.

The IMBA program is designed to develop qualified candidates to be leaders in the field of international business, with a special focus on the Asia-Pacific region. With the continued growth of Asia's emerging economies and the expansion of firms on a global scale, the NCCU IMBA offers the perfect venue for international candidates to learn about Asian economies.

The IMBA program requires a minimum of 42 credits to graduate. Required courses account for 25 credits, including Accounting, Business Quantitative Methods, Corporate Social Responsibility and Ethics, Financial Management, Leaders Forum, Leadership and Team Building, Managerial Economics, Management Information Systems, Marketing Management and Strategic Management. The elective courses fall under four areas of concentration: Entrepreneurship, Finance, Management in Asia and Marketing. Students have the option of taking the required number of courses to achieve a concentration or take courses across concentrations to graduate with a General MBA.

The IMBA program provides an optimal international and multicultural learning environment by maintaining balance between Taiwanese and international students admitted to the program. The international students represent professionals from over 35 countries in five continents. They are guided by our faculty base comprised of academics and industry experts in Taiwan and from around the world.

The IMBA faculty come from three equally qualified pools of local and international talent. A third of the instructors hail from faculty members of the College of Commerce at National Chengchi University (NCCUC), most of whom have earned Ph.D.s from prestigious universities around the world. Another third of the faculty represent renowned scholars from top overseas business schools as visiting instructors and a final third of the faculty are comprised of industry senior executives who have long standing real-world business experience.

The international aspects of each and every area of the IMBA, including the courses, student body and faculty, make this program truly unique. What further differentiates the IMBA from other MBA programs is the expertise integrated in the special Asian featured courses that we provide under the Management in Asia concentration. Aside from developing a global view in world business trends, it is just as essential to gain an Asian perspective of business. Our program is the perfect conduit for learning all about this growing region.

❖ ENTRY REQUIREMENTS

1. Minimum of two years of full-time post-baccalaureate work experience.
2. Completion of or the equivalent of a four-year bachelor's degree from an accredited college or university.
3. Satisfactory previous academic achievement.
4. TOEFL score or other evidence of English proficiency for applicants whose native language is not English.
5. Competitive GMAT/GRE scores preferable.
6. Any other materials that will help the Admissions Committee assess the applicant's potential.

❖ HOW TO APPLY

To apply for the IMBA with a grant of TaiwanICDF Higher Education Scholarship Program, applicants MUST successfully complete two application procedures – One for IMBA and the other for TaiwanICDF scholarship.

- Step 1. For IMBA application, it is 100% online. There is no need to send hard copies to our school. Please use the IMBA Online Application System at <https://imbaoas.nccu.edu.tw/>. The online system allows candidates to access and submit the required application documents. The system will be open between January 3, 2020 and 5PM, March 20, 2020 (UTC+8).
NCCU IMBA Online Application Deadline: 5PM, March 20, 2020 (UTC +8).
- Step 2. For TaiwanICDF scholarship application, please access the Scholarship Online Application System at http://web.icdf.org.tw/ICDF_TSP/WelcomeStart.aspx to fill the application form between January 1, 2020 and March 15, 2020 (UTC+8). Confirm the information you have entered and print out the application form. Please submit the application form, together with your other scholarship application documents, to the ROC (Taiwan) Embassy/Consulate General/ Representative Office in your country. Please note that Scholarship Online Application System will be closed on March 15, 2020 (UTC+8); however, we suggest that you should contact the ROC (Taiwan) Embassy/Consulate General/ Representative Office in your country to check their deadline of accepting your application documents.

❖ SUPPORTING DOCUMENTS FOR APPLICATION

Applicants are required to submit the following application documents to IMBA Online Application System before 5PM, March 20, 2020 (UTC +8).

1. Personal Data Form

This is an online form in our application system containing your personal details (name, address, academic history, language proficiency, employment history, etc.). If you change your address after the application period is over, please make sure that you notify the IMBA Program office so we can contact you.

In the *Employment History* area, please include descriptions of your 3 most recent full-time post-baccalaureate positions.

2. Essays

The required Essays allow the Admissions Committee to learn about you, your accomplishments and your professional aspirations. You will be asked some questions and type them in the application system. Your essays should not be written or edited by anyone other than yourself. Please prepare these essays carefully and candidly, follow the instructions in the system for each essay.

Required Essays

- (1) Describe your short-term and long-term career goals and explain how your past experience together with an IMBA from the NCCU will contribute to your

achieving them. (750 words maximum)

(2) Answer any 2 questions from the 4 choices below:

A. Describe a time when you were part of a team in a professional environment that worked well. Also, describe a time when you were part of a team that did not work well. (500 words maximum)

B. Reflect on a time when your efforts resulted in a change within an organization. Please discuss your role in these changes. (500 words)

C. Describe a situation where you were able to use your leadership skills to create a better outcome. (500 words)

D. Discuss a risk you took that proved to be successful. Also describe a time when a risk you took was not successful. (500 words)

Optional Essay

Please include any other information that you believe would be helpful to the Admissions Committee in considering your application. (250 words maximum)

3. Two recommendation letters

Two recommendations are required and should be completed by individuals who are well acquainted with you and your managerial capabilities. Preferably, they should be completed by employers or supervisors.

As part of the online application process you will be asked to provide email addresses for your recommenders; the system will then send them a link they can use to access the system and fill the recommendation letter online or upload a letter of their own. You are advised to request recommendations well in advance of the application deadline to ensure your application package is complete when submitted.

4. Official transcripts from each college/university attended

5. A copy of most recent university/college diploma

We require one copy of your transcript and one copy of the diploma or other documentation indicating the date and conferral of your degree. Transcripts of additional courses that you have taken (e.g. university extension courses or post-graduate courses) are also welcome. Please scan and upload these documents to the online application system.

If the original language of the academic record and diploma is not English or Chinese, a certified English translation must accompany original documents. Official copies of credentials must be certified by a school administrative officer from whom the degree was received.

6. Evidence of English Proficiency

We ask all applicants to provide their Test of English as a Foreign Language (TOEFL) score or other evidence of English proficiency (other test scores, i.e. IELTS, TOEIC, etc.) if their native language is not English.

If you hold a degree from an English speaking country or a program taught in English, you do not have to submit the evidence of English proficiency. Please mark

the check box “I do not need an English Proficiency test score” in the online system.

7. Evidence of Management Study Aptitude

The Graduate Management Admissions Test (GMAT) and Graduate Record Examinations (GRE) are not a requirement for admittance to the program. Applicants are however strongly advised to take the test and submit their scores as additional support to their application.

8. Proof of Nationality (e.g. passport)

9. Declaration of foreign citizenship

This is a declaration form in which you confirm that you do not hold ROC citizenship and that you are eligible to apply as an international student. Please download and print the document from the application system, sign your name and upload a scanned copy to the system.

National Chengchi University (NCCU)

International Master's Program in International Studies in College of International Affairs

❖ ABOUT THE PROGRAM

International Master's Program in International Studies (IMPIS) at National Chengchi University (NCCU), established in August 2012, aims to bring a broad interdisciplinary focus to the understanding and study of contemporary international relations. It provides an intensive learning and application of knowledge of economy, business, politics, diplomacy, and international organizations in a world of globalization.

The diversity and passion of IMPIS students and faculty members will make the study in Taiwan more productive. Each year IMPIS receives 20 master degree students, and they come not only from Taiwan but also from all over the world. IMPIS is collaborating with various teaching and research units of NCCU to guarantee the quality of teaching and learning and the quantity of the courses to be offered. Those who plan to enter international affairs related professions or to continue doctoral studies in the related fields, as well as mid-career professionals, are encouraged to apply.

❖ ENTRY REQUIREMENTS

1. Bachelor's degree or equivalent from an accredited college or university.
2. Work experience in fields relevant to development or conflict management is preferable and highly evaluated.

❖ HOW TO APPLY

International Application Procedure:

Every Jan. - Mar.: Apply for admission online and send documents for assessment purpose to OIC (Office of International Cooperation) by post before the due date. Application with incomplete documents or submitted after the deadline will not be considered for admission.

Step 1. Apply Online

Step 2. Print online application documents

Step 3. Prepare materials required for the application and Pay the application fees

Step 4. Submit the application package either in person or by mail

For ICDF scholarship applicants:

(Further information can be found in Taiwan ICDF Website)

Please follow the same procedure as “international students” listed above, and submit your application and required documents by post to OIC (Office of International Cooperation), National Chengchi University

❖ SUPPORTING DOCUMENTS FOR APPLICATION

1. APPLICATION FORM
2. PAYMENT RECEIPT
3. COPY OF PASSPORT
4. DIPLOMA
5. TRANSCRIPT
6. LATEST THREE MONTHS BANK ACCOUNT (AT LEAST 6500USD DEPOSITE. ICDF OR SCHOLARSHIP RECEIVERS PLEASE SUBMIT YOUR APPLICATION FORM INSTEAD)
7. TWO LETTERS OF RECOMMENDATION
8. ENGLISH AUTOBIOGRAPHY
9. STUDY PLAN
10. ENGLISH CERTIFICATIONS
11. SCHOLARSHIP APPLICATION FORM IF ANY

National Tsing Hua University (NTHU)

International Master of Business Administration in Technology Management

❖ ABOUT THE PROGRAM

The College of Technology Management at National Tsing Hua University, located in Hsinchu of Taiwan, offers International Master of Business Administration (IMBA) program leading to a master's degree. IMBA is a two-year, full-time, and all-English MBA program.

We encourage applications from all qualified persons interested in the study of management. Prior study in business or economics is not a requirement for admission. In the first year, students will be equipped with fundamental knowledge of management as a background for advanced, specialized work in academic majors and professional fields. In the second year, in addition to the master's thesis which is required, students are free to take elective courses from six specialties and typically

major in two or three areas.

❖ ENTRY REQUIREMENTS

1. Individuals holding a bachelor's degree from an accredited college or university are eligible for application.
2. English Proficiency Certificate (TOEFL: iBT 79/ ITP550/ PBT 550; IELTS 6.0; TOEIC 800 or the same level of other English tests).
3. Certificate of work experience. (preferable but not required)

❖ HOW TO APPLY

Please refer to Office of Global Affairs, National Tsing Hua University (<http://oga.nthu.edu.tw/index/index/lang/en>).

*** NTHU will be accepting international applications for 2019 Fall from January 1st to March 15th, 2020. All application materials should be submitted on-line to the application system.**

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:

3. NTHU Application Form.
4. A Copy of Diplomas/Certificates in English or Chinese.
5. Transcripts in English or Chinese.
6. Study Plan.
7. Two Letters of Recommendation.
8. Financial Certificate. (e.g., TaiwanICDF scholarship application form)
9. Declaration Form.

- 10. Verification of Nationality.
- 11. English Proficiency Certificate/Proof.

National Tsing Hua University (NTHU)

International Master Program in Information Systems and Applications

❖ ABOUT THE PROGRAM

National Tsing Hua University is located next to the Industry Technology Research Institute (ITRI) and Hsinchu Science and Industrial Park. Within an hour driving, you can reach the Hsinchu Industrial District, Chu Nan Industrial District, Tai Chung Industrial District and Tung Luo Industrial District. Apart from all these industrial districts, National Tsing Hua University already has very strong research sources, achievements and work teams of Science, Engineering, Life Science, Humanities & Social Science and Technology Management. The key direction of this program is twofold: One is to combine technology talents and resources within the school; the other is to take the hi-tech industrial companies next to National Tsing Hua University as training places for students.

● **The plan of this program is to follow certain directions as the intention of development of IMPISA. The directions are as follows:**

1. Train innovative information technology personnel. The courses will focus on the three major fields:

◆ Data Science

We are looking for students from different domain knowledge, such as electrical engineering, education, business management, humanities & social sciences, and medicine. Under the cross-scope and multi-cultural environments plus the lectures and advising from our professors who are specialized in data mining, machine learning, artificial intelligence, natural language, and big data analysis, IMPISA is a perfect place to train outstanding data scientists.

◆ Creative Multimedia

IMPISA has lots of experiences in creative multimedia and have obtained some distinguished and breakthroughs in recent years. In this group, we are focusing on combining information system with other knowledges, such as Wireless Multimedia Networking Technologies and Computer Vision for Visual Effects to name a few.

◆ Human-centered Interaction and User Experience

Consist topics related to intelligent human computer interface, natural language, learning technology and information media. Based on the four topics, we also extend our research to game programming, user experience, social computing, intelligent agents, MOOCs, E-learning and so on and so forth.

2. Encourage foreign students to take relevant culture courses to learn within a multi-cultural environment.
3. Provide students to have opportunities to visit local technology industries in order to understand Taiwanese industry.
4. Assist students to participate in research projects from high-tech companies.

● **Program Plan**

1. Graduate credits will be 24 credits, plus 4 credits for thesis; altogether there will be 28 credits.
2. There will be two pre-courses, which shall not be counted into the graduate credit, including Computer Programming and Data Structure. Basically, these two courses are prerequisite to apply for this program.
3. 4 credits hours of Mandarin courses must be completed before graduating. Mandarin courses that count including level I, II or III of: Mandarin Basic, Mandarin Intermediate, Mandarin High-Intermediate, and Mandarin Advanced. Students must gain Mandarin credits during his/her study in NTHU. Please be noted that Mandarin courses will not be counted in the Graduate credits.
4. IMPISA program will require two years for a student to graduate.

❖ **ENTRY REQUIREMENTS**

1. Completion of a four-year bachelor's degree or its equivalent.
2. TOEFL iBT score of 79, IELTS score of 6 or TOEIC score of 750 is preferable, or another certificate of English proficiency for international applicants whose native language is not English

❖ HOW TO APPLY

NTHU will be accepting international applications for 2020 Fall from January 1st to March 15th, 2020. All application materials should be submitted on-line to the application system.

- Step 1. Go to NTHU International Student Online Application System: <http://oiaapply.ad.nthu.edu.tw/InternationalDegreeStudent/>
- Step 2. Create a Login ID (email account) and PIN (Personal Identification Number) to set up an account. Once you have an ID and a PIN, please click on “Send”. The system will set up an account for you. You can’t start process before setting up your account.
- Step 3. The application has six sections, which are “Applicant Information”, “Family Information”, “Education Background”, “Referee Information”, “Language Background”, and “Other Information”. When finished with each section, please click on “Next” to proceed.
- Step 4. Once you have filled out all the required information, the system will take you to a Confirmation Page. Please confirm that all the information is correct and then press “Confirm”.
- Step 5. Print out all required forms from the online system.
- Step 6. The applicants must prepare and upload all application requirements listed on the checking list. The applicants need to click on submit button to complete their applications.
- Step 7. After submission, you can track the progress of your application at any time using NTHU online system.

- **Note: Application fee (TWD 2,000 or USD 80) could be reimbursed if an applicant is granted a Taiwan ICDF scholarship. This is applicable after applicant is officially registered student in NTHU.**

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:

1. Application Form
 - NTHU application form: Applicants must complete the application form through “NTHU International Student Online Application System” (<http://oiaapply.ad.nthu.edu.tw/InternationalDegreeStudent/>).
 - IMPISA-TaiwanICDF application form: http://web.icdf.org.tw/ICDF_TSP/WelcomeStart.aspx Fill out the online application forms and print them out. Then, submit this TaiwanICDF scholarship application form with the other required documents to the ROC (Taiwan) Embassy/ Representative Office in your country.
2. A Copy of Diplomas/Certificates in English or Chinese

NTHU only accepts diploma written in English or Chinese. Thus, if your diploma was written in other languages, it should be accompanied by a certified English translation. Applicants who are in the process of completing their studies must

submit a letter from the school/university clearly stating the anticipated graduation date and degree. Applicants who will be pursuing a second degree in a different field of study must also submit a photocopy of the first degree/diploma.

Note: Equivalent qualifications holder is required to submit the notarized Certification of Degree and Transcripts by the R.O.C (Taiwan) Embassy/ Representative or Taiwan Technical Mission in your country.

3. Official transcript(s)

Please upload transcripts from all college, university or post-secondary educational institution (including dates & obtained degrees). Transcripts should include grades for every semester. In addition, the grading system must also be included.

If the original language of the academic record is not in English or Chinese, a certified English translation must accompany the original transcript. Official copies of credentials must be certified by a school administrative officer of the institution from which the degree was received.

4. Study plan

Describe your short-term and long-term career goals. Explain how your future experience with IMPISA of NTHU will assist you in reaching these goals contribute. Double-space lines and use a minimum font size of 10. Please include any information that you believe would be helpful to the Admissions Committee in considering your application. (No more than 3 pages.)

5. Letters of Recommendation

Two recommendation letters are required. Fill out at least 2 referees on the online

application form. Once the online application is completed and submitted, the online system will automatically send out the recommendation notice and the link to referees. Preferable referees are faculty members who can evaluate your academic qualifications and research potential.

6. Financial certificate

All applicants are required to provide financial proof that shows financial sustainability (minimum TWD 120,000) for study in Taiwan, or proof of the scholarship. If you have a sponsor to satisfy this financial obligation, then your sponsor must provide a letter declaring their relationship to the applicant and their intent to provide financial support throughout his/her period of study. Please note that as proof of scholarship you need to submit the TaiwanICDF Scholarship Application Form.

7. Declaration Form

Print out the declaration form and sign at the end of the form after reading through it. If applicable, we may ask the applicant to submit a copy of the statement of travel record, or the “Forfeited Nationality Permit Certificate” issued by Ministry of the Interior and Non-Household Registration Declaration.

8. Copy of Passport

Provide a verification of your nationality or a copy of your passport.

9. Resume

Describe your background, academic performance and working experience. (500 words maximum)

10. English Proficiency

Students from non-English-speaking countries are expected to be able to read, write, listen, and speak English for admissions into the program. Applicants, whose first language is not English, are required to take an English proficiency test as a part of the application procedure.

We recognize scores from the Educational Testing Service (ETS), internet-based TOEFL, TOEIC or IELST taken within past two years. If you do not have it, please submit evidence of English proficiency (i.e. other test scores, the history of taking English courses, etc.)

11. Application Fee

The regular fee is TWD 2,000 or USD 80 per department/ graduate institute. Where an applicant applies for three or more departments/ graduate institutes, the fee is TWD 1,500 or USD 65 per additional application from the third application onwards

National Taiwan Normal University (NTNU)

Graduate Institute of International Human Resource Development (IHRD)

❖ **ENTRY REQUIREMENTS**

To respond to the trend of industrial globalization, the Graduate Institute of International Human Resource Development (IHRD) was established in 2003. IHRD program is taught in English and provides MBA degree. This institute aims to develop human resource professionals with international perspective, cross-cultural communication abilities, competence knowledge, and the willingness to serve people.

Our Instructional Goals are:

1. To cultivate professionals in human resource development and management.
2. To cultivate professionals in international and cross-cultural management.

Students from around the world are taught by a diverse faculty team of academic and industry experts. IHRD courses include theories and practice in management, professional knowledge of human resources and international affairs.

Our students come from different countries. By being exposed to a surrounding with various nationalities, students have the opportunities to learn and live in an international environment. Through working closely with business companies, government, and non-profit organizations, this institute provides students with opportunities and competencies for becoming human resource professionals.

❖ **ENTRY REQUIREMENTS**

1. Applicants must meet the MOE Regulations Regarding International Students Undertaking Studies in Taiwan. Eligibility Criteria for application to IHRD Program: Bachelor diploma.
2. Applicants holding certificate of equivalency exams is not eligible for application. Please note your application will not be accepted.
3. Due to the different education system in each country, an applicant who will graduate at the same year as the admission to National Taiwan Normal University must ensure to receive his/her diploma and academic transcript of the highest academic degree by the following deadlines.

Application Deadline (only for fall semester) : March 16, 2020
For more information of application regulations please visit NTNU
OIA website:
<http://ap.itc.ntnu.edu.tw/istudent/oia/index.jsp>

❖ HOW TO APPLY

- Step 1. Application Deadline (only for fall semester) : March 16, 2020
- Step 2. Application Submission: Please apply online via our application website:
<http://ap.itc.ntnu.edu.tw/istudent/apply/>. Only online application will be accepted. Please first complete the online application and upload all the relevant documents before the deadline. Hard copy applications / documents will not be accepted. Late applications will not be accepted.

❖ SUPPORTING DOCUMENTS FOR APPLICATION

Application documents should be uploaded to the corresponding columns on the application system.

1. Online signed application form. (Please print out and sign the registration form, scan and upload it to the system.)
2. Two-inch passport photos.
3. Receipt of application fee, or a U.S. dollar wire transfer receipt.
4. A copy of passport/Identification and a copy of the ROC Alien Resident Certificate for those holding one.
5. Diploma of the highest academic degree.
6. A translated copies of the applicant's highest diploma in English or Chinese. Admitted students must submit the original copies for review to the Office of International Affairs on the day of enrollment.)
7. One translated copy of the applicant's complete transcripts (for ALL years of study) in English or Chinese. Admitted students must submit the original copies for review to the Office of International Affairs on the day of enrollment. Applicants applying with diplomas or degree certificates from China are required to have the documents notarized by relevant authorities.
8. A financial statement. A minimum of NTD 100,000 (or USD 3,000) is required. Please select one of the following ways of submission:
 - (1) An official financial statement issued within the past three months from a financial institution.
 - (2) If the financial statement provided is not under the name of the applicant, a financial guarantee is also required from the sponsor.
 - (3) A photocopy of proof showing the applicant have been awarded full scholarship.
9. Documents required by specific department/institute:
All documents should be in English.
 - (1) Autobiography

- (2) Two recommendation letter(s): Written in Chinese or English.
- (3) Study plan: Outlining applicant's motive for applying, overall expectations of the program, any specific research interests, and a plan/schedule to complete the study. Relevant experiences and/or career aspirations can be included. Must be written in English.

National Yang-Ming University (NYMU)

Ph. D. Program in International Health

❖ ABOUT THE PROGRAM

The PhD program aims to provide education and training for students to cultivate the capacity to approach public health problems through careful analysis and well-planned research. The curriculum is based on courses jointly offered by twenty-seven graduate institutes: Public Health; Health & Welfare Policy; Hospital & Health Care Administration; Clinical & Community Health Nursing; Clinical Nursing Care; School of Nursing; Biopharmaceutical sciences; School of Pharmacy; Science, Technology and Society; Life Science/Genome Sciences; Anatomy & Cell Biology; Microbiology and Immunology; Environmental & Occupational Health Sciences; Biomedical Informatics; Biophotonics ; Clinical Medicine; School of Medicine; Biotechnology and Laboratory Science in Medicine; Biomedical Engineering; Dentistry; Neuroscience; Traditional Medicine, Biomedical Imaging and Radiological Sciences; Food Safety and Health Risk Assessment; Brain Science; Pharmacology; Molecular Medicine.

Course

PhD students must at least obtain 18 credits from courses approved by the Program.

Core:

Required courses: Study Designs in Epidemiology / Biostatistical Modeling and Data Analysis / Seminar on International Health I & II

Required fields: At least 6 credits in one of these four fields: Health Policies, Infection and Immunity, Social and Behavioral Science, and International Health.

Students must take 6 or more credits of courses related to their field of study.

Required courses for all students: Academic Research Ethics (0 credits)

Electives:

Students may enroll in courses recognized by the Program from both inside and outside of the university. All open elective courses will be announced by the Office of Academic Affairs (OAA).

In addition to the course work, the dissertation has to be an original research with results published in international scientific journals.

❖ **ENTRY REQUIREMENTS**

Completion of a doctorate in medicine or dentistry or its equivalent; or a master's degree in public health, medicine, or other health sciences or related fields at public or registered private universities and independent colleges; the diploma must be approved by the Taiwan Ministry of Education.

❖ **HOW TO APPLY**

PROCEDURE: Online

Do the registration on National Yang-Ming University Online Application web page (<http://admission.ym.edu.tw/>), fulfill the application form and upload all required documents before March. 31st, 2020.

❖ **SUPPORTING DOCUMENTS FOR APPLICATION**

You must provide the following supporting documents:

1. Signed Declaration Form (online)
2. Autobiography in English
3. Two Letters of Recommendation
4. Study and research plan in English (purpose of study, plans of study, anticipated results)
5. One official copy of the highest-level (Master's or above) diploma/certificate and one original copy of transcripts issued by the institution (in English or Chinese) (*The graduation diploma/certificate of foreign educational institution and transcripts shall be subjected to validation by the R.O.C. (Taiwan) embassy / representative office in applicant's country.)

6. English proficiency: For international applicant whose native language is not English, TOEFL (a minimum score of 80 above on the IBT or 213 above on the CBT or 550 above on the PBT) or IELTS (above 6.5) is required, taken within the past five years. Other appropriate proofs of English proficiency provided by the R.O.C. embassies are also acceptable.
7. Personal Information and other supporting materials

Master's Program in International Health

❖ ABOUT THE PROGRAM

Among public universities in Taiwan, this is the first international health program taught in English.

The program provides education and training for students to cultivate the capacity to approach public health problems, and to design and carry out public health programs. The curriculum is based on courses jointly offered by twenty-seven graduate institutes: Public Health; Health & Welfare Policy; Hospital & Health Care Administration; Clinical & Community Health Nursing; Clinical Nursing Care; School of Nursing; Biopharmaceutical sciences; School of Pharmacy; Science, Technology and Society; Life Science/Genome Sciences; Anatomy & Cell Biology; Microbiology and Immunology; Environmental & Occupational Health Sciences; Biomedical Informatics; Biophotonics ; Clinical Medicine; School of Medicine; Biotechnology and Laboratory Science in Medicine; Biomedical Engineering; Dentistry; Neuroscience; Traditional Medicine, Biomedical Imaging and Radiological Sciences; Food Safety and Health Risk Assessment; Brain Science; Pharmacology; Molecular Medicine.

Course

Students shall complete at least 24 credits during enrollment. 6 credits for graduate theses shall be counted separately.

Core:

Required courses: Principles of Epidemiology/ Introductory Biostatistics/ Seminar on International Health I & II/ Environmental Health

Required fields: At least 2 credits in Health Policies; at least 2 credits each in two of these three fields: Infection and Immunity, Social and Behavioral Science, and International Health

Required courses for all students: Academic Research Ethics (0 credits)

Electives:

Students may enroll in courses recognized by the Program from both in and out of the university. All open elective courses will be announced by the Office of Academic Affairs (OAA).

Students are also required to complete a master's thesis.

❖ **ENTRY REQUIREMENTS**

Completion of a bachelor's degree in biology, medicine, and/or other health sciences or related fields at public or registered private universities and independent colleges, or foreign universities and colleges approved by the Ministry of Education, ROC (Taiwan).

❖ **HOW TO APPLY**

PROCEDURE: Online

Do the registration on National Yang-Ming University Online Application web page (<http://admission.ym.edu.tw/>), fulfill the application form and upload all required documents before March. 31st, 2020.

❖ **SUPPORTING DOCUMENTS FOR APPLICATION (**

You must provide the following supporting documents:

1. Signed Declaration Form(online)
2. Autobiography in English

No.155, Sec 2, Linong Street, Taipei, 112 Taiwan (ROC)

National Taiwan Ocean University (NTOU)

International Master's Program in Aquaculture Technology and Management

❖ ABOUT THE PROGRAM

National Taiwan Ocean University is recruiting foreign applicants from aquaculture, life sciences, biochemistry or related field for the Master of Science (M.S.) program. The objective of the program is to train and cultivate foreign students to be specialists in the fields list below.

The courses of the program contain six major research areas,

1) aquaculture and environment, 2) aquatic biology, 3) nutrition of aquatic feed and live feed, 4) fish pathology and immunology, 5) management and system analysis, and 6) molecular biotechnology.

❖ ENTRY REQUIREMENTS

Foreign students majored in the fields related to those listed above graduated with bachelor degree from any national or registered private universities and independent colleges in R.O.C. (Taiwan), or foreign universities and independent colleges having been accredited by the R.O.C. (Taiwan) Ministry of Education.

Acceptable equivalency in fields should be determined by the Director of the Department of Aquaculture.

❖ HOW TO APPLY

Step 1. Admission Application Procedures

Please link to NTOU online admission Application system at

<http://ntou-admission.rulingcom.com/main.php>

http://ntou-admission.rulingcom.com/app-op/international_recruit.php

After filling out the online application system, please print out the application form and submit all the Admission Application Materials BY POST to Office of Department of Aquaculture, National Taiwan Ocean University.

Step 2. Scholarship Application Procedures

To access the scholarship application form, please link to the TaiwanICDF Online Scholarship Application System at http://web.icdf.org.tw/ICDF_TSP/WelcomeStart.aspx

Please follow the instruction and complete the scholarship application procedure.

Step 3. Notification of Admission and Registration

After being notified of admission, students must complete registration procedures within the specified time. Late registration will not be accepted if there is untrue or falsified information, the student will be denied for admission. After registration, students must provide original diplomas. If the related application documents were not written in English, English translation documents must be attached with the original documents.

❖ SUPPORTING DOCUMENTS FOR APPLICATION

1. Completed online Admission Application Form.

2. Photocopies of diploma and transcripts (verified by ROC (Taiwan) Embassy / Consulate General /Representative Office)
3. Two recommendation letters
4. Research proposal.
5. Autobiography and other supporting materials
6. Evidence of English proficiency

National Central University (NCU)

International Master's Program in Environmental Sustainable Development

❖ ABOUT THE PROGRAM

Our program aims to nurture expertise in sustainable development among the next generation of professionals working in technology and management as well as to promote the international cooperation. The program is divided into three areas: Energy Technology and Policy, Environmental Technology and Geographic Information System (GIS) and Remote Sensing.

A minimum of 32 credits is required for graduation. Students will receive a 'Master of Science' degree from the International Master's Program in Environmental Sustainable Development, College of Engineering, after completing their studies.

❖ ENTRY REQUIREMENTS

1. Applicants must hold a bachelor's degree in fields related to engineering and science (such as mechanical, civil engineering, electrical/electronics, industrial, energy, chemical/chemistry, physics, mathematics, etc.) at universities/colleges approved by the Taiwan Ministry of Education.

2. English proficiency test such as TOEFL or IELTS. Native English-speakers do not need to submit TOEFL or other evidence of English proficiency examination.

❖ HOW TO APPLY

- Step 1. Please visit the Admissions: <http://admissions.oia.ncu.edu.tw/>
- Step 2. Application period: January 1st, 2020- March 15th 2020
- Step 3. Fill out the online application form: personal information, language proficiency, applying departments etc.
- Step 4. Upload all the required documents
- Step 5. Fill in the Recommenders' Information
- Step 6. Confirm and submit the application

❖ SUPPORTING DOCUMENTS FOR APPLICATION

1. Complete online Application Form
2. Official diploma of the highest degree with verification by the ROC (Taiwan) Embassy / Consulate General / Representative Office in the country of the issuing university (when the original diploma issued by the institution in neither in Chinese nor English, an English or Chinese verified copy is required.)
3. Official transcript of the highest degree, verified by the ROC (Taiwan) Embassy / Consulate General / Representative Office in the country of the issuing university (when the original transcript issued by the institution in neither in Chinese nor English, an English or Chinese verified copy is required.)
4. Evidence of English proficiency such as TOEFL or IELTS (applicants should provide test results obtained within the last two years)
5. One photocopy of passport (page with photo)

6. One signed copy of Direction of Future Research form
7. Autobiography written in English
8. Study plan written in English. We have three major areas of courses: Energy Technology and policy, Environment Technology and Geographic Information System (GIS) and Remote Sensing.
9. Research proposal written in English. The applicants should write a research proposal on one of the three research areas (environment, energy, and GIS and remote sensing) which the applicant is interested in. The program will advise you to a thesis advisor according to the applicant choice in the first semester.
10. Two letters of recommendation written in English
11. Declaration for International Student Application with original signature
12. Document Declaration with original signature
13. Dormitory Application Form
14. Other related documents

Kun Shan University (KSU)

International Bachelor Program in Mechanical Engineering

❖ ABOUT THE PROGRAM

A total of 128 credits are required to complete the course, which includes 26 credits for general courses, 62 credits for required courses, and 40 credits for elective courses.

The research areas of this Department are detailed as follows:

1. Intelligent Vehicle Engineering: Parts and modules for automobiles, fuel cells, hydrogen power, bio-fuel, automatic control.
2. Mechanics and Energy: Solar cells, energy saving appliance, clean combustion, digital image processing, vibration reduction and noise prevention, measurement system.
3. Micro-precision Manufacturing: Rapid prototyping, thin-film materials, optoelectronics, tribology, mechatronics, laser.
4. Precision machine: machine tool structure, spindle, tolerance, quality improvement, systematic design, finite element, programmable logic controller.

Students will receive a “Bachelor of Science in Mechanical Engineering” degree after completing the study.

❖ ENTRY REQUIREMENTS

Applicants should get the diploma of high school.

Applicants should have the evidence of English proficiency (TOEFL iBT 72 or the grade of TOEFL ITP 543).

❖ HOW TO APPLY

Applicants should submit the following required documents to the school online.

Website: <http://bir.ksu.edu.tw/io/public/application/register/index>

❖ SUPPORTING DOCUMENTS FOR APPLICATION

Please fill in and upload the following supporting documents through KSU online application system:

1. Official diploma of the highest degree with verification by the ROC (Taiwan) Embassy / Consulate General / Representative Office
2. Official transcript of the highest degree with verification by the ROC (Taiwan) Embassy / Consulate General / Representative Office
3. English proficiency certificate (TOEFL iBT 72 or the grade of TOEFL ITP 543)
4. Autobiography
5. One photocopy of passport
6. Declaration with original signature
7. Other related documents

*** All the documents should be submitted in English or Chinese.**

National Sun Yat-sen University (NSYSU)

International Master's Program in Electric Power Engineering (IMEPE)

❖ ABOUT THE PROGRAM

The International Master's Program in Electric Power Engineering (IMEPE) specializes in electric power engineering, including electric machine drives, power systems and power electronics, networks and controls. The objectives of IMEPE aim at

1. assisting international students in developing advanced electric power engineering capacities,
2. promoting professional exchanges among international experts in electric power engineering, and
3. enhancing the electric power engineering design and analytical capabilities of diplomatic allies.

Academic courses: Students enrolled in this program are required to earn twenty-four (24) credits from attending academic courses and complete a research thesis. Students need to find an advisor from the program faculty according to their research interests in the beginning of the first semester, and seek suggestions from advisors for proper course selection, as well as thesis research proposals. Four courses shall be selected from the eight core courses that are specifically designed for this program, as follows.

1. Advanced Electric Machinery Theory
2. Finite Element Analysis of Electric Machinery Systems
3. Linear System Analysis
4. Load Flow Analysis
5. Optimal Control
6. Power Electronics Converter
7. Power Quality
8. Power System Operations

Research thesis: A Master's thesis in the field of electric power engineering is a strong requisite for graduation. Students are required to submit and defend their theses to a panel of 3-5 committee members by the end of the second academic year. The topics of the theses should be related to students' specialties and meet the needs of the industrial development of their countries.

❖ ENTRY REQUIREMENTS

Applicants must hold a bachelor's degree in fields related to electrical/electronic engineering at universities/colleges approved by the Taiwan Ministry of Education.

❖ HOW TO APPLY

All applications are processed and reviewed online. Please apply on the NSYSU online application system.

Step 1. Please visit: <https://oia.nsysu.edu.tw/>

(select English version>degree program>international students)

Step 2. Applicants must **upload** the following documents to **Online Application System** before the deadline:

(<http://admission.nsysu.edu.tw/eoiaform/passportMember/login>)

❖ SUPPORTING DOCUMENTS FOR APPLICATION

Applicants must **fill in and upload** the following supporting documents through NSYSU online application system:

1. Application form
 2. Photocopy of a valid passport or Alien Resident Certificate or birth certificate
 3. Copies of Diploma and Transcript of Record
 - (1) Copies of authenticated diploma
 - * Please note that applicants who are admitted to the program MUST provide a diploma verified by the Taiwan Embassy/Representative Office in the area where the university is located, when registering at the university.
 - (2) Copies of diploma translated in English/Chinese if the original copy is written in other languages.
 - (3) Copies of transcripts (should be authenticated by Taiwan representative office in the area where the university is located).
 - (4) Copies of transcripts translated in English/Chinese if the original copy is written in other languages.
 4. Copies of English proficiency certificate. Applicants from countries where English is not the native language, or those who have completed their bachelor's degree at a non-English-speaking academic institution are required to provide English-proficiency test scores, such as TOEFL, IELTS and TOEIC
 5. Two letters of recommendation
 6. Study Plan
- Optional: Research outputs, thesis, publication or any material that can further support application.

Yuan Ze University (YZU)

International Master's Program in Industrial Engineering and Management

❖ ABOUT THE PROGRAM

1. IEM, YZU has received international validation through certification by the Institute of Engineering Education (IEET).
2. The program offers training for higher level of scientific management applications/ techniques (ex. Industry 4.0, AI, big data, IoT, machine learning, etc.) applicable to multiple levels & cross industries (ex. business, service, manufacture, medicine, finance, education, etc.) to meet the global & individual customized needs, developments and operations.
3. With areas available but are not limited to: Data Mining, Business Excellence, Industry 4.0, Big Data, Internet of Things (IoT), AI, Applied Statistics, e-Commerce, Mobile Commerce, Service System Design, Enterprise Resource Planning (ERP), Supply Chain & Logistic Management, Stochastic Models, Automatic Manufacturing & Production Management, 3D Visual Simulation & VR, AR, Usability Engineering (Human Factors), Mathematical Planning, Quality Control, etc.
4. Student is required a minimum of 30 credits for graduation: 24 credits (8 courses) + 6 credits thesis (1).
5. Student can select up to 3 graduate courses (9 out of 24 credits) from the other departments at YZU (MBA for example) to count towards his/her graduation requirement w/ IEM approval.

❖ ENTRY REQUIREMENTS

1. Bachelor's degree from qualified university accepted by the Taiwan Ministry of Education
2. Proof of official English proficiency document or be graduated from a 100% English taught university program
3. Graduated from related engineering, mathematical, science technology background

❖ HOW TO APPLY

Must follow & complete 3 processes: 2 online applications+1 set of hard copies as followings & chart:

- Step 1. Online TaiwanICDF application: http://web.icdf.org.tw/ICDF_TSP/WelcomeStart.aspx
- Step 2. Hard copies be turned in to the Taiwan Official Office/Embassy in your country (the nearest ROC (Taiwan) Embassy/ Consulate General/ Representative Office. Please see <http://www.boca.gov.tw/mp?mp=2> to find the nearest such point of contact.)
 You must contact them for **deadline** which may **not be the same & earlier** than listed here by TaiwanICDF.
- Step 3. Online YZU application: <http://admission.yzu.edu.tw/degreeStudent/student/login>

| Must Do <u>Both ICDF & YZU</u> | Application Periods & Deadlines | Things must complete | How to apply: Apply Scholarship and School Admission separately. |
|---------------------------------------|--|---|--|
| ICDF Scholarship Application: (A + B) | Jan 1st ~ March 15 th or earlier Documents must be received by March 15 th or earlier (You must consult current Taiwan Embassy/Official Office in your country. The date may vary in different countries) | A. On-line Application | http://web.icdf.org.tw/ICDF_TSP/WelcomeStart.aspx <i>Complete</i> ICDF on-line application Print, Sign & Upload according to ICDF. Contact peggy@saturn.yzu.edu.tw |
| | | B. Paper Application | <i>Send</i> required document hard copies to the nearest ROC (Taiwan) Embassy/ Consulate General/ Representative Office. Please see http://www.boca.gov.tw/mp?mp=2 to find the nearest such point of contact. |
| YZU IEM Admission Application: (A) | March 1st ~ April 15th Documents must be received by YZU before <u>April 15th</u> | A. On-line Application (no fees needed) | http://admission.yzu.edu.tw/degreeStudent/student/login <i>Complete</i> YZU on-line application <i>Upload</i> signed document in point 1 & upload all other YZU required documents to YZU on-line application Contact peggy@saturn.yzu.edu to reconfirm |

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide/upload following supporting documents:

1. Signed YZU Application Form

2. Signed TaiwanICDF Application Form
3. Original highest degree diploma verified by ROC official in English or Chinese
4. Original official transcript verified by ROC official in English or Chinese
5. Passport (copy)
6. Min 2 recommendation letters
7. CV
8. Study or Research Interest (no more than one A4 or 8 1/2 x 11 size single page)
9. Official English proficiency score & proof (ie. TOFEL, TOEIC, IELTS, etc.)
10. Other helpful documents.

National Taipei University of Nursing and Health Sciences (NTUNHS)

International Nursing Master of Science Program

❖ ABOUT THE PROGRAM

Courses include Nursing Theory, Research Methodology, Advanced Applied Biostatistics, and Health Assessment for Advanced Practice Nursing; elective courses; and master thesis.

Nursing Track specialized course: Transcultural Nursing I, Transcultural Nursing II, and Transcultural Nursing Field Experience.

Nurse-Midwifery Track specialized course: Nurse Midwifery I, Nurse Midwifery II, and Nurse Midwifery Field Experience

❖ ENTRY REQUIREMENTS

Applicants should have a bachelor degree in nursing or midwifery. A minimum TOEFL score of 500 on PBT or IELTS 6.0 if English is not the native language. At least two years of clinical practice as a registered nurse/ midwife is preferred.

❖ HOW TO APPLY

Applicants can either send paper application or online application to us before March 31st. However, official transcripts and recommendation letters have to be posted to NTUNHS.

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:
(https://drive.google.com/drive/folders/1keBAppnW_UvF5Ow_zgyXdLNYos9V4dbp?usp=sharing)

1. NTUNHS application form
2. A copy of TaiwanICDF online application form
3. A copy of bachelor degree certificate in nursing/ midwifery & official transcripts
4. NTUNHS medical report
5. Two letters of recommendation
6. Statement of Purpose/ Research plan
7. Resume/ CV and other supporting materials
8. Evidence of English proficiency
9. A copy of valid passport

International Master's Program in Agricultural Economics

❖ ABOUT THE PROGRAM

The history of our department can be traced back to as early as the year 1928 when a series of lectures on agricultural economics took place along with the establishment Taihoku Imperial University during the times of Japanese colonization. In 1950, with the termination of Japanese colonization, the previous Taihoku Imperial University was renamed National Taiwan University. Around the same time, the School of Agriculture, together with the Department of Agricultural Economics was established. With a history of more than 90 years, the alumni from undergraduate, master and PhD programs have totaled over 3,000, working in the fields of politics, agriculture, construction, and business.

The purposes of inaugurating our institution include developing scholars and talented people in advanced agricultural economic studies, corresponding to modern agricultural constructions of our country, and aiming for teaching and researching at world class level. There are numerous people nurtured by the Department of Agricultural Economics working in the fields of politics, agriculture, construction, and business. Besides the alumni serving in the politics, other alumni, currently apply their studies to their services in agriculture, construction, business, and finance, have also contributed immensely to the society as well as to the country.

The purposes of inaugurating our institution include developing scholars and experts in advanced agricultural economics, corresponding to modern agricultural constructions of Taiwan, and achieving world class instruction and research.

The pedagogical direction of our undergraduate and master programs is to equip students with fundamental knowledge in economics, accounting, statistics, agricultural and environment resources, agricultural transportation and marketing, and agricultural policies. Our program also seeks to strengthen students' independent thinking and leadership qualities. The pedagogical direction of our PhD program, furthermore, is to strengthen students' ability to analyze professional journal articles, to prepare them for further research ability, to develop creativity, and to become advanced research scholars in human sciences.

Our researches can be divided into four main directions: including,

1. Policy, Regulation and Legislation
2. Agricultural Marketing, Trade and Consumption
3. Production and Agri-business Management
4. Resource and Environment Economics

These research fields are closely associated with the current agricultural economic issues of our country, and also represent outstanding academic performances in their respective fields of research. The design of our courses provides professional skills in the following curriculums:

1. Economics, Statistics, and Accounting
2. Agricultural Finance
3. Agricultural Trade
4. Agricultural Marketing
5. Agricultural Business Management
6. Agricultural Policy and Development
7. Agricultural Production and Management
8. Environment and Resource Management

❖ ENTRY REQUIREMENTS

1. Applicants must hold a bachelor's degree in fields related to Agricultural Economics at foreign universities and colleges approved by the Taiwan Ministry of Education.
2. Applicants are expected to be equipped with basic calculus and mathematics concepts, also applicants should have Economics and Statistics prerequisite (Transcript should include Economics and Statistics).
3. Applicants from non-native English speaking countries should provide a proof of English proficiency.

❖ HOW TO APPLY

1. Applicants should apply through the following 2020/21 online admission application system of the Office of International Affairs (OIA) of National Taiwan University and upload all required documents via the system by February 14th, 2020.

<https://oia.ntu.edu.tw/study-at-ntu/degree-student/202021admission>

❖ SUPPORTING DOCUMENTS FOR APPLICATION

1. Highest degree's graduation certificate
2. Highest degree's full transcript of records (including explanation of grading system)
3. Receipt of the application fee payment
4. Declaration and Authorization Form
5. Financial statement
6. Passport (if applicable)
7. Taiwan Alien Resident Certificate (ARC) (if applicable)
8. Photograph
9. English proficiency certificate/proof (no specific level)
10. Recommendation letter x 2
11. Study plan

National Cheng Kung University (NCKU)

International Master Program in Civil Engineering and Management (ICEM)

❖ ABOUT THE PROGRAM

1. This program includes four core courses (financial and cost concepts for engineering & construction, project schedule control, operation research, engineering information management) and 20+ courses in management and technical fields.
2. Graduation Credits: 30
 - (1) A minimum of 24 credits in coursework and 6 credits in master's thesis must be completed.
 - (2) Master students must fulfill a minimum of 24 credits consisting of at least 15 credits from our department.
3. Students will earn the “Master of Science” degree from the Department of Civil Engineering, College of Engineering after the full completion.

❖ ENTRY REQUIREMENTS

1. Applicants must qualify for legal student status in compliance with Article Two of the Ministry of Education's “Regulations Regarding International Students Undertaking Studies in Taiwan”.
2. Upon completion of the course of study, at a school in Taiwan, to which an international student has applied, the student's admission to higher academic levels shall be handled in a manner identical to the procedures of admission for local students, except that an application for master's degree or higher level of graduate studies can be processed under the rules of each individual school.
3. International students who withdraw from university/college after admission due to behavior issues, poor academic performance or a conviction under the Criminal Code may not thereafter apply again for admission under “MOE Regulation Regarding International Students Undertaking Studies in Taiwan”. If a student wishes to transfer from another university in Taiwan, he or she should still apply as a new student, and notify the original university according to their rules.
4. During the course of study in Taiwan, international students, who are approved for initial household registration, resident registration, naturalization or restoration of their ROC nationality, will lose their international student status and shall withdraw from school.

Violation of any of the above-mentioned criteria will result in immediate cancellation of the applicant's admission or the deprivation of the applicant's recognized status as a NCKU registered student, or revocation of the applicant's NCKU diploma. No certificates will be awarded.

❖ HOW TO APPLY

- Step 1. Complete the online application form (<http://admissions.oia.ncku.edu.tw>)
Step 2. Prepare and upload required documents before March 30, 2020.

❖ SUPPORTING DOCUMENTS FOR APPLICATION (請條列各項應繳交申請資料)

Complete the online application form

2. Declaration
3. The highest degree diploma verified with official stamps by the R.O.C. embassies, consulates, or missions abroad or by other notary institutes authorized by the Ministry of Foreign Affairs, R.O.C. (Master's program applicants must submit Bachelor's degree diploma or above)
4. The official transcripts by years verified with official stamps by the R.O.C. embassies, consulates, or missions abroad or by other notary institutes authorized by the Ministry of Foreign Affairs, R.O.C.
5. A financial statement verified with official stamps by the R.O.C. embassies, consulates, or missions abroad or by other notary institutes authorized by the Ministry of Foreign Affairs, R.O.C. * Scholarship applicants may submit proof of application in lieu of a financial statement.
6. Two recommendation letters

7. Identity card and(/or) passport, the ROC alien resident certificate (if available), and the Certificate of the R.O.C. Non-Household Registration, or other credentials (if applicable)
8. Study plan
9. English(/Chinese) autobiography
10. English proficiency certificate
11. Other reference documents (if applicable)
12. Application fee (Each applicant will be charged NT\$1,600 / US\$60)

MBA Program of International Business and Trade

❖ ABOUT THE PROGRAM

The mission of the MBA Program of International Business and Trade program is to educate students with up-to-date knowledge of business management skills in international business so as to prepare them for international business management and for global economic and trade activities.

Our educational goals are “deliver advanced professional knowledge”, “activate academic research ability”, “raise business management professionals”, and “enlarge international business view”.

Graduation Requirements:

1. This degree comprises a total of 43 credits.
2. The required courses include International Trade and Finance, Business Chinese, Business Ethics, Marketing Management, Corporate Finance, Human Resource Management, Operations Management; and Statistic Methods and Data Analysis are the required core courses.
3. The elective courses include three majors: International Enterprise Management & Trade, International Marketing and International Finance.
4. The prerequisite courses include Accounting and Statistics must to be completed before submitting a thesis proposal and do not count toward the graduate degree.
5. In addition to above requirements for graduation, students have to finish a graduate thesis and join one conference for graduation.

❖ ENTRY REQUIREMENTS

1. Bachelor’s degree either from a domestic university of independent college accredited by Ministry of Education, Taiwan; or from an overseas university or college recognized by Ministry of Education, Taiwan; or an undergraduate qualification accepted by Ministry of Education, Taiwan as equivalent.

Ming Chuan University (MCU)

Undergraduate Program in Journalism and Mass Communication

❖ ABOUT THE PROGRAM

Journalism and Mass Communication (JMC) provides an English teaching and learning environment. Also, JMC is a globalized program in regard to course content, sources of teachers, internship institutions and future employment. As part of International College, JMC not only recruits students with superior English ability, but also multilingual students from all around the world. We also provide multilingual projects to give our students more practical opportunities. In the future, one of our goals is to cultivate professional foreign language emcees. For furthering their studies, JMC students can also apply to New Media and Communication Administration Program to study at Ming Chuan University-Michigan Location.

Our mission is to develop responsible professionals with academic knowledge, practical abilities, and people skills to serve international communities by means of journalism and mass communication.

We aim to provide students with a comprehensive learning environment to develop responsible professionals by promoting honesty and integrity. Our aim is to educate students with academic knowledge and practical abilities to adapt to and excel in the ever-changing media landscape. JMC program helps students to cultivate communication capabilities and people skills for better mutual understanding and interpersonal relationships, and inspires students to care for and better serve the well-being of the international society.

Through JMC courses, students will understand basic principles of journalism and mass communication, comprehend the responsibilities and ethics of journalists, and employ advanced technologies to carry out professional duties and master useful communication techniques for mass media.

In Journalism and Mass Communication, both theory and practice are important. Therefore, we not only provide comprehensive courses, but also organize practically-oriented media courses and well-organized internship programs to cultivate students' abilities through hands-on experiences in people skills and media operations.

In addition to the basic and practical journalistic skills that enable our graduates to enter into the media world marketplace, we instill in students the self-confidence to collect, process, analyze, and use information so they learn to listen, communicate, and

express themselves. Moreover, JMC trains students to analyze, compile, produce and report news stories.

❖ **ENTRY REQUIREMENTS**

1. Senior high school or vocational high school education, or the equivalent.
2. Good command of English (non-native English speakers should provide TOEFL IBT 61, TOEFL-CBT 173, IELTS 5.0, TOEIC 550 or higher).

International Master's Program in Health Care Administration

❖ ABOUT THE PROGRAM

The International Cooperation and Development Fund (TaiwanICDF) scholarship at Taipei Medical University is only provided for students enrolled at the School of Health Care Administration. Apart from displaying the spirit: helping the weak and befriending with diplomatic allies, the “International Master’s Program” is the first English-conducting healthcare administration master’s program to develop an English-based learning environment in Taiwan.

The program offers interdisciplinary courses in English. Core courses focus primarily on health care administration, and the program also provides courses in the theory and practice of health insurance, medical informatics, total quality management in healthcare, operations research in healthcare organizations, health information management, international collaborative efforts on injury prevention and control, and writing scientific papers in English

❖ ENTRY REQUIREMENTS

Bachelor's degree received from or current enrollment as a senior student in universities accredited by Taiwan's Ministry of Education is required.

❖ HOW TO APPLY

Please fill out application forms and upload required documents through the TMU's online application system before March 15, 2020.

Online application system: <http://ogeadmission.tmu.edu.tw/foreign>

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:

1. Please complete the online application at: <http://ogeadmission.tmu.edu.tw/foreign>
2. A 2-inch identification photo (including face and shoulders, with no hat) taken within the previous two months.
3. One copy of the applicant's passport
 - * For other documents of foreign nationality identification, please refer to <https://edu.law.moe.gov.tw/EngLawQuery.aspx>
 - * If applicable, TMU may ask the applicant to provide a photocopy of the Forfeited Nationality Permit Certificate issued by the Ministry of the Interior, the Certificate of Entry and Exit Dates issued by National Immigration Agency, or other official certificates.
4. One photocopy of the applicant's diploma or equivalent highest-level certificate of academic attainment and transcripts.
5. One copy of valid proof of English proficiency, such as TOEFL, IELTS, TOEIC, or other official tests. Applicants who have had at least four years of formal education in an English-speaking country may choose to provide attendance records as proof of English proficiency.
6. A statement of purpose written in English.
7. A resume written in English.
8. At least one letter of recommendation in English or Chinese submitted via online system by evaluator.

Supporting materials (if applicable), such as curriculum vitae, academic examination scores (GRE, GMAT, Chinese proficiency test, etc.), professional licenses, publications or awards. All supporting materials should be translated into English or Chinese.

Taipei National University of the Arts (TNUA)

International Master of the Arts Program in Cultural and Creative Industries (IMCCI)

❖ ABOUT THE PROGRAM

TNUA's International Master of the Arts Program in Cultural and Creative Industries (IMCCI) is a unique interdisciplinary graduate program for students who want to make a difference in the future of Cultural and Creative Industries. It combines a broad range of courses in the arts and its related cultural policies from international and local perspectives. The curriculum incorporates a variety of resources from across the university, as well as the cosmopolitan city of Taipei, where the best of the arts come together throughout the year.

IMCCI program focuses on cultivating professionals in the field of cultural and creative industries, with arts related courses covering “Cultural and Creative Industries Management” and “Aesthetics and Cultural Creative Industries”. Through seminars, on-site visits, and internships or thesis, IMCCI cooperates with various academic institutions and industries to incorporate theory and practice, establishing long-term networking for students and alumni around the world.

❖ ENTRY REQUIREMENTS

1. Overseas Academic Credentials

All overseas academic credentials have to confirm to relevant regulations by the Ministry of Education (MOE) of R.O.C. Taiwan. At the time of registration/enrollment at the school, those holding overseas academic credentials have to

submit related documents verified by Taiwan overseas representative offices. Otherwise, their admission will be annulled.

2. Academic Background Requirement-Master's Programs
3. Those with bachelor's degree;
4. Those who are expecting their bachelor's degree in the current academic year;
5. Those with equivalent educational level (to that of Taiwan's academic degree system) for entering master's programs.
6. International students, who have been dismissed by from universities/college after admission due to behavior issues, poor academic performances or a conviction under the Criminal Law, are not allowed to apply for admission via this channel. Should any of the above violation cases be verified, the applicant's student status will be revoked immediately.
7. An international student submitting forged, fabricated, or altered papers for the purpose of the their school application shall be subject to enrollment qualification cancellation; or a revocation of enrollment and denial to the request of any certificate pertaining to study, if the said student is already enrolled; or revocation of graduation qualifications and cancellation of the diploma by the student's school, if the said student has been already graduated.
8. In accordance with MOE's regulations regarding the recognition of academic credentials, holders of passing certificate of appraisal of academic achievement examination issued by foreign institutes are not eligible for application in terms of academic background.

❖ HOW TO APPLY

The application packet must be submitted either in person or by express mail to the address indicated below prior to the application deadline (postmarked according to the deadline stated in the most recent Admissions Handbook). International express service such as DHL or FedEx is recommended for application packets mailed from overseas. Office hour: Monday to Friday, 9:00 am to 5:00 pm.

1. Make sure that you are eligible to apply as an international student.(Please refer to TNUA Regulations Regarding International Student Admission and MOE Regulations Regarding International Students Undertaking Studies in Taiwan)
2. Complete on-line application and print out 2 copies. (Signature required)
3. Prepare the entry documents and required documents by the departments/graduate institutes, and pay the application fee, NTD 2,000. (Note: Applicants of the International Master of Arts Program in Cultural and Creative Industries (IMCCI) do not have to pay the application fee if they also apply for the ICDF Scholarship.)
4. Submit application (hard copy) to the International Exchange Center before April 6. (Any late application will not be processed.).
5. Application process is estimated to be open from **February to April** each year.

❖ SUPPORTING DOCUMENTS FOR APPLICATION

1. One copy of application form (with one 2-inch bareheaded bust photo).
2. One photocopy of passport.
3. Four copies of study plan (2,000 words max.), including a cover page, paginated index, summary, study goals, literature review, research methods and bibliography. On the cover page please list the title of the plan, the applicant's name, nationality, and latest degree.
4. Four copies of resume and autobiography: resume should include educational background and working experience (preferably verified).
5. Four copies of career plan (describe your personal career plan within five years of graduating from the program).
6. Four copies of the highest academic degree or current enrollment certificate (with one original copy). The diploma should be in Chinese or English and verified by the R.O.C. (Taiwan) Embassy/Consulate/Representative Office in the country the document is issued.
7. Four copies of updated transcript in English (with one official copy). The official copy should be in Chinese or English and verified by the R.O.C. (Taiwan) Embassy/Consulate/Representative Office in the country the document is issued.
8. Four copies of master-level English proficiency (with one official copy): the certificate (validity within three years) must be above TOEFL-iBT 79, IELTS 6.5, TOEIC 750, or BULATS 75 (Level 4). Applicants are exempt from this requirement if from countries whose official language is English.

*** The content of item 3~5 should be expressed only in English. Item 3~8 required four copies of each set of documents. They are to be of A4 size and accordingly bound together.**

(Please get access to the webpage via Google Chrome.)

(All applicants please do not register NCHU’s online until February 1, 2020.)

Register, fill in the online application form and upload all of the required documentation onto the system.

Step 1. Please register an account via online application system.

Step 2. Receive the verified e-mail to activate your account. Please notice that sometime the verified e-mail may be in your e-mail trash box or SPAM box.

- Step 3. Please log-in to your account and follow step-by-step instructions to complete the online application form.
 - Step 4. Please make sure all the data and documents you provided is correct. You cannot make any change once you click the confirm button @ Step 11. Meanwhile, an invitation email for the letter of recommendation will be sent to your referees automatically.
 - Step 5. An automated confirmation message will be sent to your mailbox by the system. And you may log-in to your account to check the latest application status shown in the system, such as whether we have received the letters of recommendation yet.
 - Step 6. Patiently wait for the processing of the evaluation.
- NCHU's Office of International Affairs contact person: Ms. Ariel at chunyi9324@nchu.edu.tw

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:

1. Online Application Form. (obtained after you finish the registration online) (<https://missfortune.nchu.edu.tw/oiafsdeg/?action=login>)
2. A photocopy of diploma from the highest educational institution completed (translated into English). The diploma shall be certified by Taiwan Embassy or Taiwan representative office in/near your country. If your Diploma is obtained from schools in Taiwan, it is not necessary to be certified by Taiwan Embassy.

3. Official transcript of academic records (translated into English) with grade point average (preferable on GPA 0-4 scale) from each institution attended (high school for those seeking undergraduate admission; university/college for those applying MS programs). The completed transcript is required to be certified by Taiwan Embassy or Taiwan representative office in/near your country. If your transcript is obtained from schools in Taiwan, it is not necessary to be certified by Taiwan Embassy.
4. Two letters of recommendation should be submitted online. The notify letter will be sent to referees automatically after applicants complete the application.
5. A one-page study plan, written in English.
6. One-page autobiography within 300~500 words or curriculum vitae, written in English.
7. Proof of financial sufficiency such as a bank statement indicating sufficient funds for staying in Taiwan issued by your financial institution(s). The issuing date should be after **January 1, 2020**.
8. Copy of the personal information on your passport.
9. The minimum language requirements for English ability (choose one below)
TOEFL: itp 520 / ibt 65
IELTS: 6.0
TOEIC: 700 or relevant English Proficiency Proof

Note:

Students who get admission have to join Foreign Student Insurance in registration unless one has National Health Insurance or provides proof of 6 months up effective insurance abroad.

National Chung Cheng University (CCU)

Master in Educational Leadership and Management Development

❖ ABOUT THE PROGRAM

The International Master Program in Educational Leadership and Management Development (ELMD) is a full English program at National Chung Cheng University (CCU), mainly contributed by the academic staff from the Graduate Institute of Education, the Department of Adult and Continuing Education and the Center for Teacher Education. Our faculty members are not merely experienced teachers but also experts in research and educational practices, particularly on the trends and issues in the fields of Educational Leadership, Management and Development.

To promote high-quality pursuit of profound knowledge and to respond enthusiastically to the overwhelming global trends form the solid basis of the Program. With a Master degree in Education, our graduates are expected to find successful employment as an education practitioner in an educational system, a manager working in the public sector or a private learning organization, or as a researcher contributing to the academia.

We aim to offer a holistic educational experience in Taiwan. Your experience would be a journey of gaining knowledge and skills, expanding your qualifications, and building your international connection as a professional. Our two-year program is structured into compulsory and elective courses, personal/group assignments, and research. By engaging in these activities, you are encouraged to explore educational issues in Taiwan as well as in the global context.

❖ ENTRY REQUIREMENTS

1. Bachelor's degree either from a domestic university of independent college accredited by Ministry of Education, Taiwan; or from an overseas university or college recognized by Ministry of Education, Taiwan; or an undergraduate qualification accepted by Ministry of Education, Taiwan as equivalent.
2. All students whose first language, or national official language, is not English must provide recent evidence that their good command of the English language is adequate for the Program. The required evidence should be recently obtained acceptable English language qualification or test result among one of the following: TOEIC, TOEFL (PBT, CBT, iBT), IELTS, CEFR, Cambridge Main Suite, BULATS, or Taiwan GEPT.

❖ HOW TO APPLY

To apply for an offer from ELMD, all prospective applicants are required to follow the CCU Online Admission Procedure. ELMD will only consider completed applications. To start your application, please go to CCU Office of International Affairs <http://oia.ccu.edu.tw/ciaeenglish/admissions.html>

❖ SUPPORTING DOCUMENTS FOR APPLICATION

You must provide the following supporting documents:

1. Completed Application Form
2. Transcript of the highest-level education degree
3. Diploma of the highest-level degree
4. Verified English proficiency certificate or test result

5. Two recommendation letters
6. Study plan
7. Verified financial statement issued by a financial institution such as a bank
8. Declaration of Nationality (with signature)

Ming-Hsiung, Chai-Yi County 62102, Taiwan

I-Shou University (ISU)

School of Medicine for International Students

❖ ABOUT THE PROGRAM

The School of Medicine for International Students is a newly established **four-year M.D. program (taught in English for Bachelor's degree)** in compliance with the government policy that aims to cultivate passionate and devoted international medical professionals for countries that have a diplomatic relationship with Taiwan. Students are conferred only a **Bachelor's diploma** in English upon graduation and must return to their home countries after graduation, and students are not allowed to take the medical licensing examination or to conduct medical practice in Taiwan.

❖ ENTRY REQUIREMENTS

1. Applicants who have a bachelor's degree or above conferred by a local or foreign university recognized by the R.O.C. Ministry of Education may apply for admission; those who have studied at the School of Medicine, Dentistry or Chinese Medicine for four years or more may apply with credentials of an equivalent education level. The original diploma (or academic credentials) verified by the local R.O.C. diplomatic mission must be submitted upon registration and enrollment (if the diploma (or academic credentials) is in a language other than Chinese or English, a Chinese or English translation verified by the local R.O.C. diplomatic mission or a registered translation agency is required); otherwise, an applicant will be considered disqualified and denied admission.

2. Pursuant to Paragraph 1 of Article 2 in the MOE Regulations Regarding International Students Undertaking Studies in Taiwan, applicants who have a foreign nationality, have never had the nationality of the Republic of China* (“R. O.C.”), and do not have an overseas Chinese student status at the time of application may apply for admission.
3. Any matter not mentioned herein should be subject to the MOE Program of Assisting Countries with Diplomatic Relations in Cultivating Medical Talents, the MOE Regulations Regarding International Students Undertaking Studies in Taiwan, and the MOE Regulations Regarding the Assessment and Recognition of Foreign Academic Credentials for Institutions of Higher Education.
4. **This Program is open only to students who have never obtained a physician license.**

❖ HOW TO APPLY

Please understand the procedures and requirements of obtaining medical license before applying for this program.

1. No application fee is required for applying for admission to this Program.
2. **Application Documents**
 - (1) An application must be completed not later than March 15, 2020.
Please fill out an application form online (<https://enroll.isu.edu.tw/DP>) and print it out. **The application form and required documents must be submitted to ISU by the aforesaid deadline.**

- (2) **Applicants may submit the application packet through either of the following methods:**
 - a. By fax: +886-7-6155910 or +886-7-6577477
 - b. Via email: smis@isu.edu.tw

TaiwanICDF Scholarship

- (1) Only applications submitted on the following website will be considered: http://web.icdf.org.tw/ICDF_TSP/WelcomeStart.aspx.
- (2) Those who want to apply for the TaiwanICDF Scholarship must complete the online application form first, and then print out and submit it to the local R.O.C. diplomatic mission **on their own.**

Notes:

- (1) **The application process will not be considered completed until an applicant has completed both an application for admission to this Program and an application for the TaiwanICDF Scholarship.**

(2) Late applications, unqualified applications or incomplete submission of documents will not be considered by ISU.

(3) Please keep an extra copy of all documents submitted for application as I-Shou University will not return the originals to applicants.

Application Timetable

| Item | Date |
|---|----------------------------|
| Application period | January 1 ~ March 15, 2020 |
| Written exam | April 17, 2020 |
| Interview | April 23 ~ 24, 2020 |
| A list of accepted applicants released online and a notification sent to all applicants via email | June 1, 2020 |
| Check-in deadline for accepted applicants | June 10, 2020 |
| Check-in deadline for waitlisted applicants | June 18, 2020 |
| Airport pick-up and orientation | Early September 2020 |
| First day of school | Mid-September 2020 |

❖ SUPPORTING DOCUMENTS FOR APPLICATION

1. A completed application form in print (including a signed affidavit)
2. A photocopy of the applicant's passport
3. A diploma of bachelor's degree or above, or the proof of an education level equivalent to studies at the School of Medicine, Dentistry or Chinese Medicine for four years or more, as well as an academic transcript
 - * The original diploma (or academic credentials) verified by the local R.O.C. diplomatic mission must be submitted. If the diploma (or academic credentials) is in a language other than Chinese or English, a Chinese or English translation verified by the local R.O.C. diplomatic mission or a registered translation agency is required.

4. Proof of having earned at least 6 course credits on biology, chemistry or life sciences (A bachelor's degree in life sciences is a plus.)
5. A certificate of English proficiency (TOEFL, IELTS or other English proficiency tests recognized globally or by the local government and taken within the most recent 2 years)
6. An English autobiography
7. Three recommendation letters
8. Other supporting documents:
 - (1) The medical school admission exam result (MCAT, BMAT or GAMSAT) within the most recent 3 years
 - (2) Practical experience in health care and laboratories
 - (3) Experience in volunteer service.

National Dong Hwa University(NDHU)

International Bachelor Program in Computer Science and Information Engineering (BS. in CSIE)

❖ ABOUT THE PROGRAM

New addition to this scholarship, but not new to TaiwanICDF. Department of Computer Science & Information Engineering of National Dong Hwa University provides an English teaching and learning environment since 2011.

Ranked as 413th worldwide (6th in Taiwan) in Computer Science field and as 554th worldwide (6th in Taiwan) in Engineering Technology field on the England-based Times Higher Education's 2020 World Ranking of Academic Performance report, Dept of CSIE offers high quality of education and research trainings in these challenging areas:

- ✓ Artificial Intelligence (AI)
- ✓ Machine Learning
- ✓ AR / VR Technology
- ✓ Information Security
- ✓ Computer Networks
- ✓ Multimedia Systems
- ✓ Internet of Things (IoT)
- ✓ Wireless & Mobile Computing
- ✓ Big Data & Cloud Computing
- ✓ VLSI Circuit & Embedded Systems
- ✓ Data Knowledge Base Systems
- ✓ Software Engineering & System Design
- ✓ Bioinformatics

and much much more...

Courses Requirement: A total of 132 credits are required to fulfil the degree requirement, which includes 37 credits of general education courses, 74 credits of major required courses, and 21 credits of professional elective courses.

Graduation Requirement: All CSIE students must complete a 1-year long Undergraduate Project, and perform a stand-up presentation, exhibition, and demonstration at the end of their 3rd year. This requirement is to ensure our students are capable to transform

classroom knowledge into a real world product. In addition, all students must pass the Primary Programming Proficiency Exam and English-Proficiency verifications before graduation.

After completion of all above, students will receive the “Bachelor of Science” degree in Computer Science & Information Engineering.

❖ ENTRY REQUIREMENTS

1. Good in mathematics and logical thinking.
2. Good English communication skills (non-native English speakers should provide TOEFL iBT 61, TOEFL CBT 173, IELTS 5.0, TOEIC 600 scores). This also fulfills the language requirement for graduation. See the equivalent chart here:

<https://ddei3-0-ctp.trendmicro.com:443/wis/clicktime/v1/query?url=http%3a%2f%2fwww.csie.ndhu.edu.tw%2fwp%2dcontent%2fuploads%2fNDHU%5fCSIE%5fBachelor%5fMaster%5fDoctoral%5fEnglish%5fProficiency%5fRequirements%5fChart.pdf&umid=54451555-9B6F-C505-AF6B-E53ED8DE28AA&auth=82d96b269b5b23427b1e288a6af04eee664f5479-5bc503172484670279f98ecf930bc7b4daf9745d>

Completion of a senior high school or the equivalent.

❖ HOW TO APPLY

- Step 1. Follow the instructions of TaiwanICDF’s scholarship application and authenticate and verify all necessary documentations.
<http://www.icdf.org.tw/ct.asp?xItem=12507&CtNode=30318&mp=2>
- Step 2. Apply with TaiwanICDF Scholarship Online Application System before March 15. http://web.icdf.org.tw/ICDF_TSP/WelcomeStart.aspx
- Step 3. Submit the required documents to the ROC(Taiwan) embassy / consulate / representative office in your country before March 15 to be considered.
- Step 4. Follow the guidelines of National Dong Hwa University’s International Student Admission application and authenticate and verify all necessary documentations.
<https://oia.ndhu.edu.tw/intl-student/campus-information/intl-admissions>
- Step 5. Apply with NDHU Online Admission Application System before March 31.
<http://ias.ndhu.edu.tw/intladmission>
- Step 6. Complete the NDHU Online Application and submit all required documents onto the system before March 31 to be considered.

❖ SUPPORTING DOCUMENTS FOR APPLICATION

1. Completed TaiwanICDF and NDHU Admission Applications.
2. Verification of Nationality - Passport / Birth Certificate / Alien Resident Certificate
3. Authenticated Diploma

4. Authenticated Full Transcripts of Records
5. Certificate of English Proficiency
6. Autobiography or CV
7. Study Plan
8. 2 Letters of Recommendation
9. Financial Statement
10. Proof of Award (If any)
11. Any documents specifically requested by an ROC (Taiwan) Embassy/ Consulate General / Representative Office

Appendix 1: General Eligibility Criteria for TaiwanICDF Scholarship

An applicant must:

- ♥ Be a citizen of a country on the List of Countries Eligible for TaiwanICDF Scholarship, and satisfy any specific criteria established by his or her country and/or government of citizenship.
- ♥ Neither be a national of the Republic of China (Taiwan) nor an overseas compatriot student.
- ♥ Satisfy the admission requirements of the partner university to which he or she has applied to study under a TaiwanICDF scholarship.
- ♥ Be able to satisfy all requirements for a Resident Visa (Code: FS) set by the Bureau of Consular Affairs, Ministry of Foreign Affairs, and an Alien Resident Certificate (ARC) set by the Ministry of the Interior, of the ROC (Taiwan) government (this means that the TaiwanICDF has the right to revoke a scholarship offered if an applicant cannot satisfy the visa requirements).
- ♥ Upon accepting a TaiwanICDF scholarship, not hold any other ROC (Taiwan) government-sponsored scholarship (such as the Taiwan Scholarship) in the same academic year in which the TaiwanICDF scholarship would be due to commence.
- ♥ Not be applying for another TaiwanICDF scholarship in unbroken succession — to apply for a 2020 scholarship, applicants who have already held a TaiwanICDF scholarship, MOFA's Taiwan Scholarship or an MOE scholarship must have graduated before July 31, 2019.
- ♥ Have never had any scholarship revoked by any ROC (Taiwan) government agency or related institution, nor been expelled from any Taiwanese university.
