

Attachment I

Programs available for CGS-CAU

Language: Chinese (Majors with ✕ can be taught in English)

Colleges	Disciplines	Master	Ph.D
Agronomy and Biotechnology	Crop Cultivation and Farming System ✕	3 Years	4 Years
	Crop Genetics and Breeding ✕	3 Years	4 Years
	Seed Science and Technology ✕	3 Years	4 Years
	Crop Physiology ✕	3 Years	4 Years
Plant Protection	Agricultural Entomology and Pest Control ✕	3 Years	4 Years
	Plant Pathology ✕	3 Years	4 Years
	Plant Quarantine and Agricultural Ecological Health ✕	3 Years	4 Years
Horticulture	Olericulture ✕	3 Years	4 Years
	Pomology ✕	3 Years	4 Years
	Ornamental Horticulture ✕	3 Years	4 Years
Biological Science	Biology (Botany, Biochemistry and Molecular Biology, Microbiology, Physiology)	2 Years	
	Botany		4 Years
	Biochemistry and Molecular Biology		4 Years
	Microbiology		4 Years
	Physiology		4 Years
Animal Science and Technology	Animal Genetics, Breeding and Reproduction	3 Years	4 Years
	Animal Nutrition and Feed Science	3 Years	4 Years
	Bioengineering For Animal Husbandry	3 Years	4 Years
Grassland Science And Technology	Practaculture Science	3 Years	4 Years

Veterinary Medicine	Basic Veterinary Medicine	3 Years	4 Years
	Clinic Veterinary Medicine	3 Years	4 Years
	Preventive Veterinary Medicine	3 Years	4 Years
	Veterinary Bioengineering	3 Years	4 Years
	Veterinary Public Health	3 Years	4 Years
Food Science and Nutritional Engineering	Cereals, Oils and Vegetable Protein Engineering	3 Years	4 Years
	Food Biotechnology	3 Years	4 Years
	Food Science and Engineering ※	3 Years	4 Years
	Nutrition and Food Safety	3 Years	4 Years
	Processing and Storage of Agricultural Products	3 Years	4 Years
Resources and Environmental	Ecology	2 Years	4 Years
	Plant Nutrition	2 Years	4 Years
	Resource & Environmental Science and Plant Protection ※	3 Years	
Land Science And Technology	Soil Science	2 Years	4 Years
Information and Electrical Engineering	Agricultural Electrification and Automation	3 Years	4 Years
Engineering	Agricultural Engineering ※	3 Years	4 Years
Water Resources and Civil Engineering	Agricultural Water-Soil Engineering	3 Years	4 Years
	Agricultural Bio-environment and Energy Engineering	3 Years	4 Years
Science	Pesticide Science	3 Years	4 Years
International Development and Global Agriculture	International Development Policy and Governance ※	2 Years	
Department of Nutrition and Health	Nutrition & health Science		4 Years
